

Mera Gaon Mera Gaurav

As per visit to that village on 22/06/2017 came to know that two group of farmers lead by Mr. Saroj Rai and Mr. Abkash Rai require 20,000 suckers of large cardamom var. Sawney/Bharlang (10,000 each) for plantation in new sites of Rai Gaon area, East Sikkim in the current year.

Farmers of the village are engaged in cultivation of fruits mainly citrus, vegetables like brinjal, cucumber, tomato, cabbage, cauliflower and cereals like maize and spices like large cardamom for their livelihood.
