

Lawngtlai Florists team of Mizoram visited ICAR-NRCO, Pakyong

A team of 12 members from Lawngtlai Florist group of Mizoram under the guidance of District Horticulture Officer visited ICAR-NRCO, Pakyong on 25-02-18 as part of awareness and accompany programme tour. On behalf of institute, Dr. N. Sailo, Scientist (Plant Physiology) briefly explained the mandate and activities going in ICAR-NRCO. Further he explained crop production, crop protection of orchids and technologies developed by ICAR-NRCO. Mr. P. Ravi Kishore, Scientist (Economic Botany & PGR) highlighted about the PGR activities and crop improvement programmes. Finally members visited all the polyhouses of the institutes and interacted with the scientific staff.
